

KUMAUN UNIVERSITY, NAINITAL
 (NAAC Accredited 'A' Grade)
DEPARTMENT OF PHARMACEUTICAL SCIENCES,
CENTRAL INSTRUMENTATION FACILITY (CIF)

Short Term Training Program on
HPLC

From 19th June 2018 to 24th June 2018

Supported by Shimadzu Analytical India Pvt. Ltd & Ind-swift Laboratories Ltd

INTRODUCTION

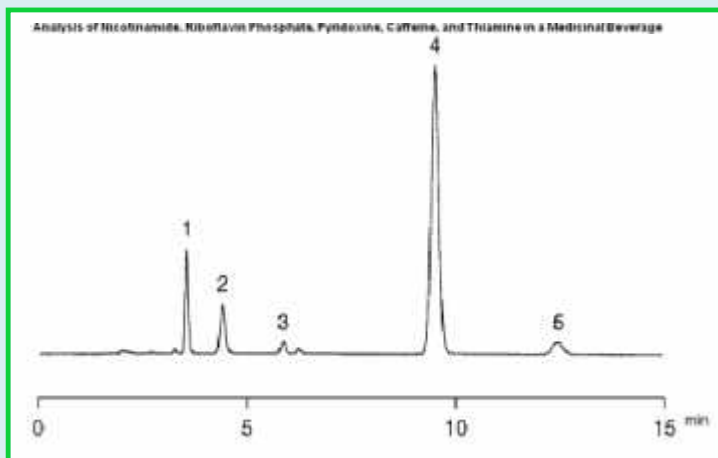

High Performance Liquid Chromatography (HPLC) is a basic tool for analysis of pharmaceuticals, intermediates and finished products. It is also equally important in other industries such as food and beverages. In industry it has wide

applications and lot of human resource is required to operate the instrument properly. With this view Department of Pharmaceutical Sciences, Kumaun University organizes, short term training program on HPLC, every year for M.Pharm. students since 2014.

The aim of one week workshop on HPLC & other analytical instruments (FTIR-Spectrum 2) is to disseminate knowledge about the analytical instruments specially HPLC. The workshop introduces technology through the lectures and hand-on practice on Shimadzu make HPLC (LC2010CHT).

WHO CAN APPLY?

Post graduate students of department & outside the department, who are interested in working at quality control in the future or those who are trying to run HPLC but having problem in operating it. In simple word, the training is for those who want to have hands-on-practice on HPLC.

HOW CAN APPLY?

Interested students can fill up the application form and return it to the CIF. Application form can be obtained from CIF.

TRAINING FEE

Training fee is INR 500 for departmental candidate & INR 1000 for candidate from outside of department.

TRAINING VENUE

Training will be held at Central Instrumentation Facility (CIF), Department of Pharmaceutical Sciences, Kumaun University, Bhimtal.

TRAINING DATE AND TIME

From 19th June to 24th June 2018 and time 10:00–17:00 Hrs or beyond during experiment.

DEADLINE AND SELECTION

Deadline of application form submission is 16th June 2018. Selection of candidate will be on the basis of FIRST COME FIRST SERVE. Maximum 22 candidates will be selected. Priority given to students of M.Pharm. project work.
